

particularly in light of the work reported i the specification. Therefore, regardless of whether such isolation in fact had been carried out, the inventors clearly had contemplated the invention as claimed in claims 21-25 and had done sufficient work to be considered in possession of the invention of these claims for purposes of the written description requirement.

The Examiner's attention is directed to co-pending Application Serial No. 07/686,264, which is a continuation of Serial No. 07/304,234, the parent of the present application.
